PUBLICATION OF THE STUDENT BODY OF

Wofford College

SPARTANBURG, SOUTH CAROLINA

Mr. Milliken takes time out for his favorite sport.

To achieve success requires hard work—to achieve greatness requires something much more. We like to consider this something else as *dedication* . . .

This year the Staff of the BOHEMIAN is proud to recognize a truly great and dynamic person within our college community who has voluntarily associated and dedicated himself to the future greatness of Wofford College.

Certainly we are not the first to recognize Mr. Roger Milliken or his contributions to our college and community, but we feel ourselves dutiful bound to acknowledge and laud his generous participation in the growth of this institution at this prolific time.

And in recognition of his splendid services the 1961 BOHEMIAN Staff dedicates this annual to Mr. Roger Milliken.

DEDICATION

PROLOGUE

We, the students of Wofford College, have come unto this campus for 107 years. We become involved in a plant composed of brick, wood, steel, concrete, and people. We come into this new and totally different environment as green, uneducated, and uncultured young boys. As we proceed through four years of devoted study under the inspiring shadows of the twin towers of Old Main and the immortal monuments which are forever about us, we find our minds and thoughts flowing in similar streams. At the end of four years, these streams become lost in the ocean of the surrounding world. We find ourselves in the world's mass confusion, but we are well prepared to cope with these anxieties now. After our connection with Wofford College, we are now well-rounded, educated men of the world. We are by no means wise, but we now possess a very good basis for wisdom . . .

At the end of these four years at the College, surrounded by the spirit of our school, the green young freshmen emerge into the world as dignified, well-rounded men, well developed in four particular fields—character, scholarship, leadership, and sociability . . .

Then each year, out into the world go the proud, Wofford men—Ben Wofford's men.

"If you seek a monument, look about you!"

WOFFORD College . . .

The Reverend Benjamin Wofford, a local minister of the Methodist Episcopal Church, South, died in the town of Spartanburg, South Carolina, December 2, 1850. He left in his will a legacy of one hundred thousand dollars to the South Carolina Conference "for the purpose of establishing and endowing a college for the literary, classical, and scientific education to be located in my native district, Spartanburg." One half of this amount was to be laid aside as a permanent endowment. The remaining amount was utilized in the construction of Old Main and election of professors. The College was opened on the first day of August, 1854, and since that time its doors have never been closed to the obtainment of wisdom and knowledge.

The aims of the College are to place religion at the center of its purpose as an institution and to create an academic atmosphere congenial to the development of a Christian philosophy of life and a Christian standard of conduct; to maintain high standards in literary, classical, and scientific education; to stimulate and develop intellectual curiosity, critical acumen, and creative imagination; and to render the greatest constructive Christian service to the individual, the community, the nation, and to Humanity.

the ADMINISTRATION

The Administration is that group of men and women who work diligently to see that the operating functions of the college are carried out efficiently and smoothly. In this group of "out of class" personnel, we find the buildings and grounds management, canteen and cafeteria management, financial administration, secretaries to the various departments, field representatives, library staff, president and deans, and last—but certainly not least—the dormitory hostesses.

These are the people with whom we, the students, come into contact everyday in many different situations. Although their duties carry them far in the interest of the college, still they maintain close contacts with the student body. Theirs is a difficult task, and the men of Wofford accord them with a salutation in appreciation for the jobs they accomplish . . .

AN UNUSUAL EXPRESSION for quite an unusual gentleman . . .

“. . . and say the Terriers will win by two touchdowns?”

MR. EDWARD K. HARDIN
Chairman of Board of Trustees

This body of men serves as the administrative "brain-trust" of the college. In its charge is the task of keeping the college close to the purpose for which she was originally founded—that of providing the best possible Christian higher education. The Board, ten of whom are ministers and eleven laymen, carefully outline the most important needs of the college community and provide sound measures to assure the realization of the founders of this institution.

The work of the board is not only for improvement of facilities, but also the responsibility of increased faculty salaries, more scholarships for worthy students, and other educational advancements.

These are sincere men with a definite realization of their responsibilities . . .

Wofford's own draft board!

Why are we reluctant to leave after years of teaching at Wofford?

Beyond the pragmatic answers are others more important.

One is that there has long existed here a tradition of freedom to become the kind of teacher our will and pride and manhood combine to make us.

Moreover, over the years he develops a compound of pride in Wofford's past, confidence in her present, hope for her future, and an interest in students, whose fortunes he follows with parental pride and affection.

Finally, we discover the Wofford Ethos, which transcends the brick and mortar of Old Main. This Ethos is

A brighter flame within the soul
That makes men seek God's goal,
The something more than naked truth
To give to searching youth,
A beacon bright, a banner high,
The soul's new-found ally.

FEATURES, we had...

The student's social life at Wofford College is truly varied and assorted. Not only does the student have an opportunity for a liberal education but also an education in the fine art of "Good Living". The social functions, being intra-college or fraternity, on or off the campus, becomes the classrooms. Each new class entering the college brings with it their distinct fads of dress and entertainment. The annual Featured Events of the college provide the students an opportunity to correct and improve their "social graces". This education begins as soon as the green freshman enters through the gates of the school and continues throughout the remaining four years.

"But you Don't have to bow to me."

The class of '64 Assembled . . .

"Please hurry, sir, we have been here for days!"

"That right, Mr. Porter, Angling 51 will not be offered this year."

"No, Mr. Johnson, chapel cannot be counted on your business major."

"Mr. Belcos, haven't I seen you here before?"

REGISTRATION... *Usual Chaos, Problems, and Struggling...*

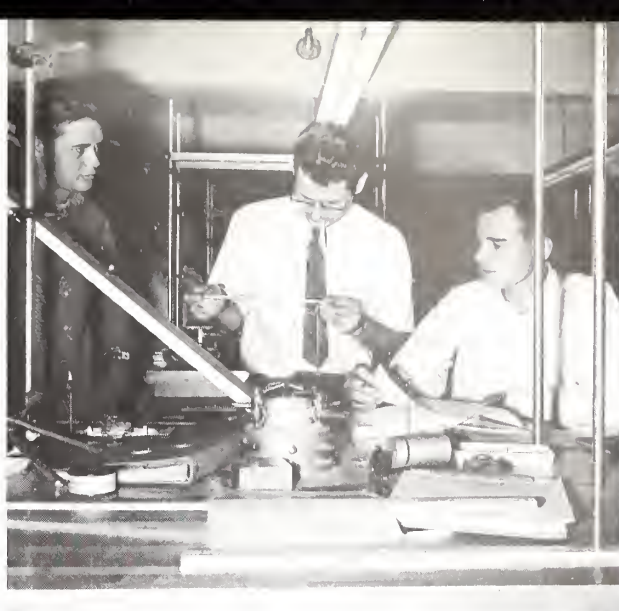

There must be a better way to *solve* such tedious problems . . . it's not the long lines, nor the noise, nor the professors, nor the administrators that make this day ominous . . . though these noticeable aspects combine to have a chaotic effect upon the well-mannered, peerless Wofford gentleman . . . "Blood, sweat, toil, and tears is the clearest description" . . . "sir, you really don't earn semester hours by going to chapel?" . . . ultimate confusion . . . and pandemonium . . . "Table to table, forms upon forms, hours after hours the students creep . . . through the maze and finally to Smithy's office" . . . only to have to join in the mad race to the crowded bookstore . . . and then it is finally over, at least for five months.

"Dr. Vaughn, you don't solve this place by taking Chinese lit!"

"Really, sir, it wasn't my time to go to the board again!"

"The ash will fall in exactly 12.85 seconds from this moment."

CLASSES... Our Reason For Being-Here

Classes—for which reason we are here:
to contemplate Plato, Milton, Locke, Emerson, Faulkner, and those who proposed universal theories.

To some a place of endeavor to achieve that golden prize of learning,

To some a haven of inquiry, and

To some a task to be endured.

Whatever the reason, Classes are Wofford—the reason for the institution.

Through this channel of communication men strive to convey to men part of the vast realm of knowledge and also their lust for understanding . . .

DANCE ASSOCIATION Presents Glamorous Winter Ball

Wofford's social calendar rests heavily on the Wofford College Central Dance Association, which is a student supported and controlled organization dedicated to the fine art of good living. The activities of the Association consists of Saturday night dances following the football games, the Homecoming dance, and of course the Winter Ball.

This year the Dance Association, in its 1960 version of the Winter Ball, climaxed its series of Fall semester dances with what is reputed to have been one of the finest and most glamorous balls yet presented at Wofford College. The highlight of the 1960-61 Winter Ball was Frankie Lester and the Billy May Orchestra.

The Dance Association was capably headed up by President Jim Purcell. The other officers being Johnny Lipham, Jim St. John, Danny Brake, Dan Avant, Dickie Johnston, and Furman Walter.

OFFICERS: Danny Brake, *Floor Chairman*; Johnny Lipham, *Secretary*; Dan Avant, *Decorations Chairman*; Jim St. John, *Treasurer*; Dickie Johnston, *Junior Class Representative*; and accompanying dates.

Meeting on Monday nights, the Wofford Student Council plans the general activities of the student body and attempts to act as a median between the administration and students. The Council is composed of four officers; the presidents of each class, and the president of the Council Cabinet, but the meetings are open to any student who wishes to observe the procedure.

This year the Council made a trip to Washington and Lee University in an attempt to revive the honor system on the Wofford Campus. They also purchased a mascot for the College and are paying for its training and upkeep.

Other activities include the joining of Southern Universities Student Government Association; sponsoring the cheerleaders and Wofford's representatives to the State Student Legislature; the handling of student elections; coordinating Homecoming activities; and establishing a job placement system for students.

One of the most interesting of Council's activities this year was the taking of campus-wide poll concerning the National election. The student body vote was divided into classes and upper state, lower state, and out-of-state residents.

State Student Legislature Convenes At State Capital

For the past five years the State Student Legislature has served as a means of bringing together the students of the colleges of South Carolina who are actively interested in government and politics. Two meetings are held each year, in the Fall and in the Spring. At the Fall meeting the students convene at the state capital in Columbia where they take part in the making and passing of bills which have particular interest to the college students throughout the state. In the Spring, the students observe the actual Legislature in process.

Student Christian Association Adds Religious Spirit To Campus...

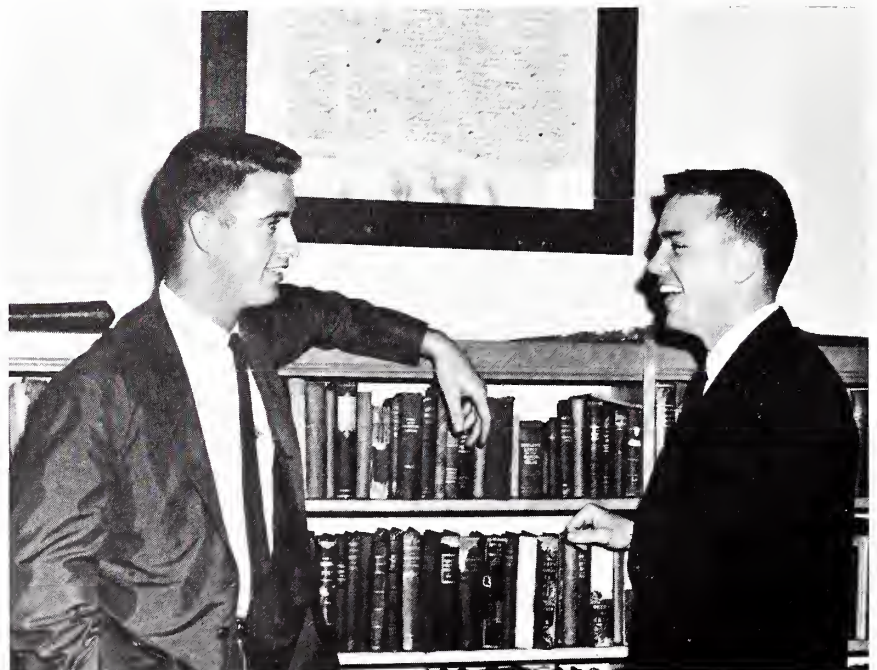

The Wofford College Student Christian Association recognizes the necessity of a united interdenominational fellowship. With this realization in mind and through able Christian leadership, the association works tirelessly toward the attainment of its most worthy goal. The Student Christian Association is one of two organizations on the college campus which is an inclusive student body organization. Since each student is a member, it strives to present an extensive program in an effort to make the Christian spirit a dynamic and vital influence in the student's life.

the Debate Council

There are many organizations on the campus today which are a carry-over from her traditional past. The debate Council serves as a means of perserving Wofford's glorious "golden years" in forensics. In modern fashion the Debate Council carries on the aims and activities of the past literary societies. Composed of a varsity and novice squads, this year's team is an active organization of interested students who offer their time and talents to represent Wofford in a worthwhile manner.

Ministerial Union . . . Purpose In Life . . . To Serve

There are many organizations on the Wofford campus of which one may be a member; but the very fact that a man is accepting the Ministerial Scholarship or is considering the ministry a profession for life makes him uniquely qualified for membership in this group. The members are men with a purpose in life—to serve. With a desire to serve, these men have banded together in hopes of exploring the many demands which the ministry will place upon them. Through monthly meetings and programs, the men of the Ministerial Fellowship are able to hear and question different people about the many aspects of a minister's life.

Baptist Student Union Under A New Regime, There Is Postive Growth

The purpose of the Baptist Student Union is to link more clearly and definitely together the Baptist students of Wofford College with the several local Baptist churches. The organization functions in a number of worthwhile capacities: encouraging church attendance among its members and seeking to enrich the lives of the members being the ultimate objective of the organization.

The Baptist Student Union provides a varied social program in addition to its religious activities. The various types of programs of the B. S. U. are composed of the following: Special periods of emphasis during the school year on missions, evangelism, vocation, as well as social events with other college groups of the city.

PHI BETA KAPPA

For over a century and a half, election to Phi Beta Kappa has been a recognition of intellectual capacities well employed, especially in acquiring an education in the liberal arts and sciences.

Phi Beta Kappa was founded December 5, 1776, at William and Mary College, in Williamsburg, Virginia. It was the first society to have a Greek letter name. From that humble beginning in one of the cradles of the American nation and in its transplanting to other parts of the country, the society has spread out

throughout the entire nation and has become one of the most respected societies of its kind in the world. Over one hundred and fifty chapters are now in existence.

The Wofford Chapter of Phi Beta Kappa, Beta chapter of South Carolina, was chartered January of 1941. The chapter was granted to the holders of the key who were officially connected with the college at that time. It is one of two chapters in the state, the other being Alpha chapter at the University of South Carolina.

WHO'S WHO In American Colleges and Universities

One of the most important and meaningful honors which can come to a Wofford student is selection for membership into Who's Who. These men selected by a special committee of administration, faculty, and student members, represent Wofford College in a national survey of men who have attained honor to themselves and their college by their participation in extra-curricular activities, scholarship, and campus leadership. An important consideration in their

election is their promise for contribution to society upon graduation.

The purpose of Who's Who is to serve as an incentive for students, to get the most out of their college careers; as a means of compensation to students for what they have already accomplished; as a recommendation to the business and professional worlds; and as a standard of measurement comparable to such agencies as Phi Beta Kappa and the Rhodes Scholarship Award.

BLUE KEY...

Blue Key, National Honor Fraternity, is a living leadership organization dedicated to promoting the best interests of the college, community, and nation. Since its founding in Gainesville, Florida in 1924, Blue Key has continually brought together leaders from all phases of campus life, who are interested in serving, and sent them into the world as intelligent community leaders.

A desire to serve the college is the keystone of the fraternity's complete organization. This epitomizes its purpose of existence. Membership is selective; Blue Key men must be leaders, outstanding men in every respect, not only with regard to extra-curricular activities, but in character, personality, and academic achievement as well. Blue Key is democratic; in its more than 100 chapters there are no social, fraternal, political, or economic barriers to membership.

By recognizing upperclassmen for their meritorious campus performance and honoring them with leadership training in a program of service and public relations, Blue Key trains men in the attitudes, values, and ethics so necessary for adult responsibility and leadership in a democracy.

PI GAMMA MU...

Pi Gamma Mu is a National Social Science Honor Society. Its purpose is to improve scholarship in the social studies; to inspire social service to humanity by an intelligent approach to the solution of social problems; to engender sympathy toward others with different opinions and institutions by a better mutual understanding; and to supplement existing social science organization by promoting sociability and attendance at meetings.

The Wofford Chapter attempts to improve its understanding primarily in the areas of political science, sociology, psychology, economics, and history. In order to gain membership in Pi Gamma Mu, a student must possess at least a "B" average on twenty or more hours of social science which includes these areas. Through lectures, discussion, and research the members try to analyze social problems facing our modern society.

American Chemical Society . . .

The Wofford Chapter of the American Chemical Society was founded on the campus in 1949, due chiefly to the efforts of Dr. James C. Loftin, faculty advisor. It has the distinction of being the first chapter founded in South Carolina. The main project of the society is the sponsoring of the annual Piedmont Science Fair. The group also handled the chemistry section of the Science Forum held in the Milliken Science Hall, designed to "show off" the fine new facilities.

Biological and Pre-Medical Society

The Biological and Pre-Medical Society was organized in the early Fall of 1960 by the interested students and instructors of the Biology Department. The purpose of the society was to create student interest in the biological sciences and to present the student with a practical method of application of the accumulated knowledge of the field.

Cooper Black was the first president of the society along with Benny Kirby and Jim Gibert serving as vice-president and secretary-treasurer. The major project of the year was the planning and demonstrations for the official opening of the Roger Milliken Science Hall.

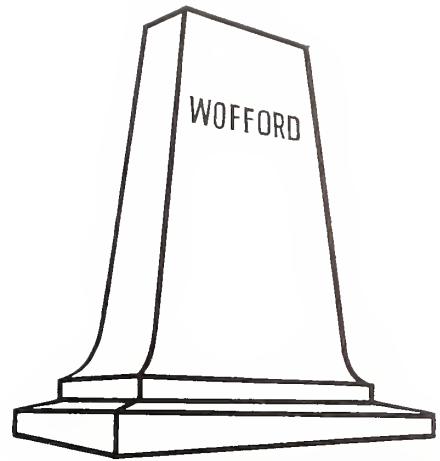

With the problems and complexities of organization past, the society is hopeful for a bright future, including a trip during the Spring to the Marine Biological Studios of Duke University located at Beaufort, North Carolina.

Chairman of the Publications Board

the PUBLICATIONS BOARD...

The Board of Student Publications which is composed of both faculty and student components had its beginning in the Fall of 1936. The purpose of the Publications Board is not to censor the college's publications, but rather to maintain the existence of the three publications—*The Old Gold and Black*, *The Journal*, and the *BOHEMIAN*. The Board through careful screening selects the editor and business manager of each of these and keeps the finances of the periodicals under close surveillance.

Under the chairmanship of Dr. L. H. Chewning, the Board of Student Publications has guided these publications through another successful year. To encourage participation in the publications by the students, the Board has set aside awards to be given to the staff members who contribute the most to each of the different publications.

Left to Right: Wally Fridy; Ben Gramling; Prof. G. D. Willis; Tommy Stokes; Dr. L. H. Chewning, *Chairman*; Dr. L. P. Jones; Prof. J. D. Duke; and Mike Hillier.

The Scabbard and Blade is the national military honorary fraternity located in one hundred and thirty colleges and universities which contain the reserve officer training program. The fraternity was founded and organized in 1904 at the University of Wisconsin. "M" Company of the 6th Regiment was chartered at Wofford College in 1928. The primary basis for membership into the fraternity is merit of leadership. Each cadet selected must possess out-

standing qualities of leadership and honor. Only junior and senior members of the ROTC are eligible for membership. Selection for membership is made during the latter part of the regular school term by the graduating members and the professors of the Military Science and Tactics Department. Cadet Richard Robinson served as commander of the unit this year.

RIFLE TEAM

Front Row: Gary Moore, Jim McLeod, Larry Fort, Frankie Foster, Sam Watson, Bobby Joyner. *Second Row:* Capt. Murray Lewis, Joe Suessle, Steve Brown, John Brown, and Sgt. G. R. Woodly.

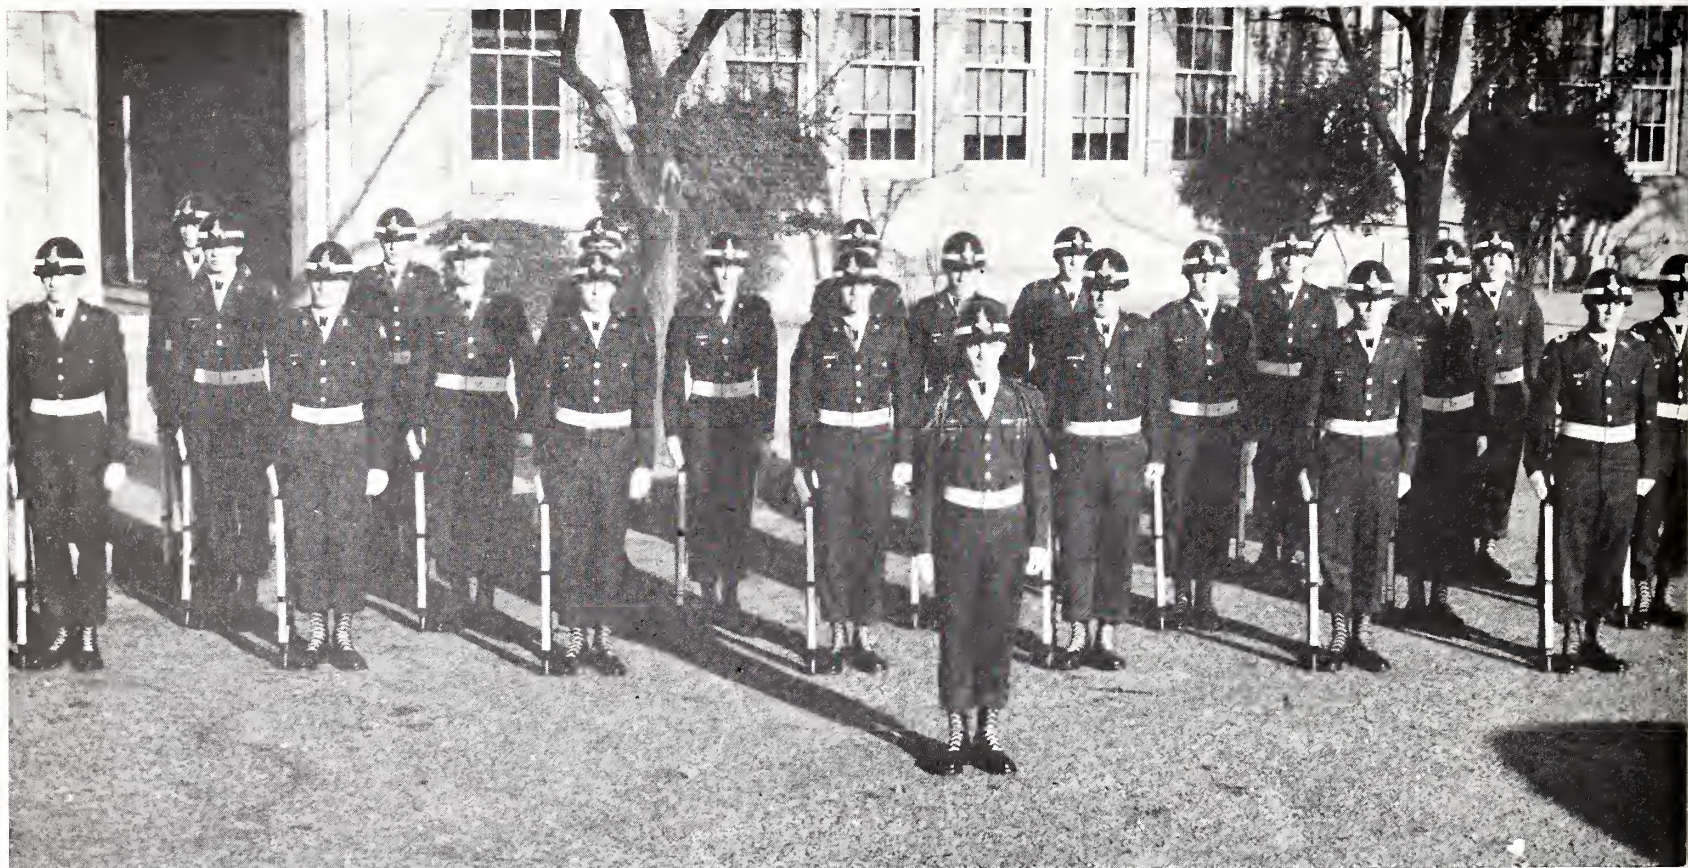

From among the rank and file of the Reserve Officer Training Corps, come those men of excellent shooting abilities who comprise the Wofford Rifle Team. The first part of the year is spent in continuous practice at the rifle range. Captain Lewis served as the unit's advisor and Sergeant Woodley as instructor. The .22 cal. single shot chamber loading weapons are used with the official 50-foot range. From the unit as a whole, there are three men, Sam Watson, Frank Foster, and Gary Moore, who have distinguished themselves as members of the 280-club. These men obtained this position by firing a total score of more than 280 out of a possible 300 at all matches. The unit shall enter into the State and the Western Carolina Conference Matches this Spring.

OFFICERS. *Front Row:* GENE POWELL, *Commander*; PRESTON IRBY, *Public Informations Officer*; HARRY ALLEN, *Drill Officer*; FRED DASHIELL, *Special Service Officer*. *Second Row:* JOHN LIPHANI, *Adjutant*; BOB PATTON, *Operational Officer*; RONNY MCPHERSON, *Executive Officer*.

PERSHING RIFLES

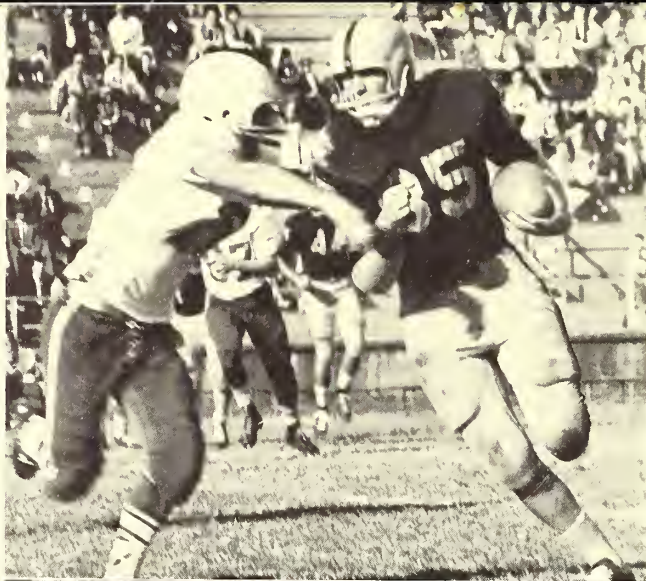

The Wofford College chapter of the Pershing Rifles, Company H, 4th Regiment, was chartered on May 18, 1959 by the chapter from Clemson College. This honorary military society was founded by the late General John J. Pershing, while instructing military science at the University of Nebraska, as the Varsity Rifles in 1894. The society today consists of one hundred and forty-five active companies and more than 8,500 members in the colleges and universities throughout the United States. The present crack drill team replaced Wofford's own drill unit in 1960. Well kept helmet liners, white gloves, white belts, white shoulder straps, and black boots distinguishes the members of this special unit. The yellow scarves with the embroidered "W" in the center was especially designed for the college's unit. Membership into the Pershing Rifles is based upon competitive abilities and leadership. Captain Gene Powell served as commander of the unit this year.

CONLEY T. SNIDOW
Head Coach and Director of Athletics

Wofford College is indeed fortunate to have a coaching staff which possesses character and integrity. It is a close-knit unit which compares favorably with any staff in the two Carolinas, be the institution large or small.

They are a hard-working group apart from other professions; their merit is not based on a strict 40-hour week, but rather in the amount of time that is required to accomplish the job. The staff is headed by Athletic Director and head football coach Conley T. Snidow, who has completed his eighth year at the helm of the Terrier grid fortunes. Snidow is ably assisted on the gridiron by Bill McCarren, Gene Alexander, and Jim Brakefield. Alexander doubles as basketball coach, and Brakefield bosses the baseball team. Vernon Caldwell is the athletic trainer.

This Terrier coaching staff has gained the respect of news media, alumni, and friends of Wofford College. And they are to be commended for a job well done.

THE COACHING STAFF. VERNON L. CALDWELL, *Trainer*; BILL MCCARREN, *Backfield Coach*; GENE ALEXANDER, *End Coach*; CONLEY T. SNIDOW, *Head Coach*; JIM BRAKEFIELD, *Line Coach*.

This past season might be described as the year in which Wofford gridders reached an oasis on the road back to success after two consecutive fruitless campaigns.

The Terriers began the season with a humiliating defeat at the hands of Lenoir-Rhyne. Wofford then split in games with Davidson and P.C. Turning point in the year was a last minute 14-13 victory over Newberry in the beginning of a new series at Orangeburg. Furman proved too much, but Wofford won its last three games over East Tennessee, Catawba, and Appalachian to wind up with a respectable 5-3 record.

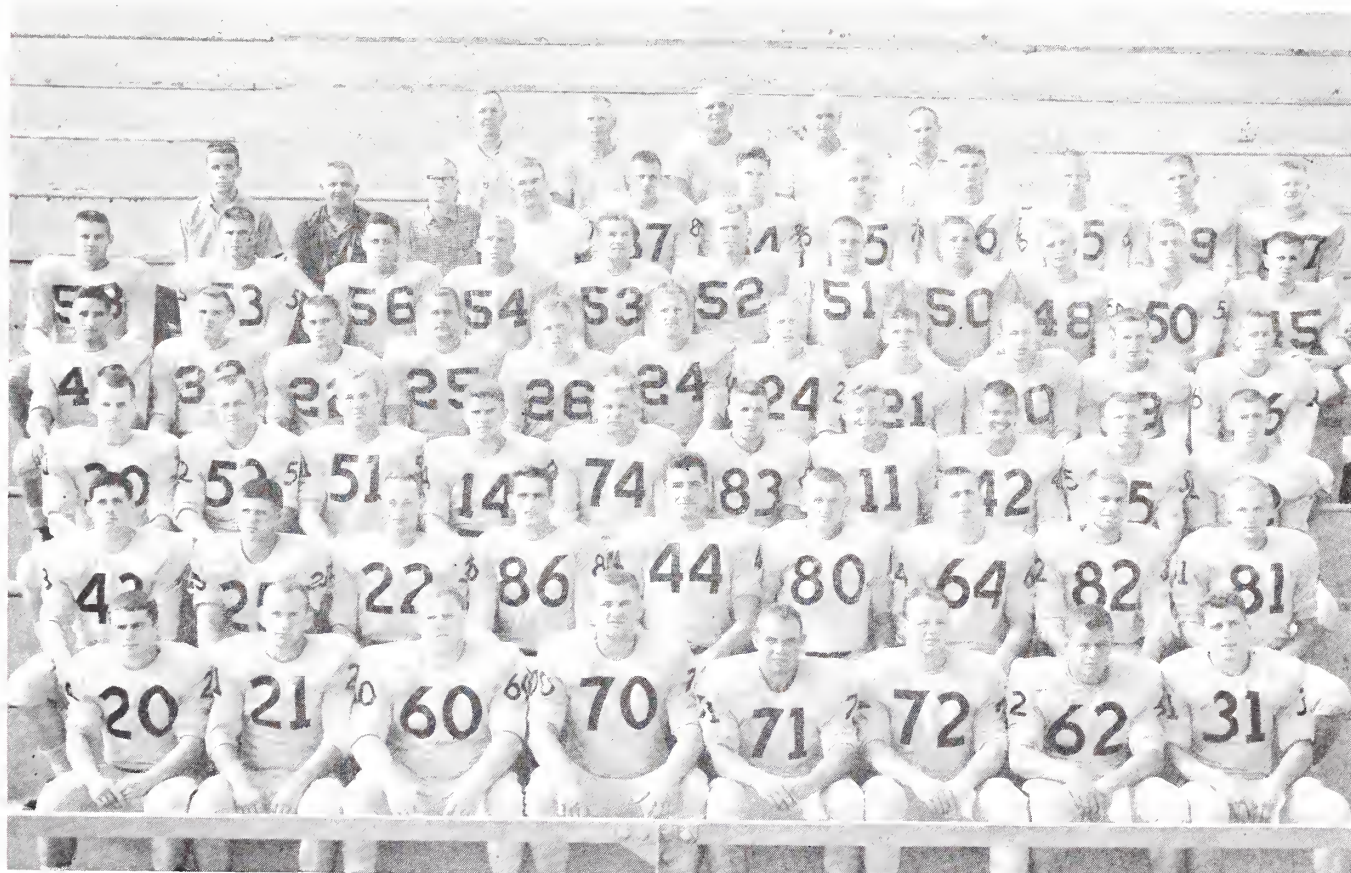

Captain Wallace Henderson was named to a first team berth on the All-Methodist College Team picked annually for *Together Magazine* by sports scribe Fred Russell. Henderson and tackle Fleming Harris nailed down post season spots on the second All-State Team. And in addition to these two, Gary Whitlock, Don Jones, Hoyt Burnett, Dan Lewis, Bob Roma, Bill Neely, and Lewis Flint were named to the All-Little Three Team by the loop's coaches.

Wofford Bows To The Bears In First Game Of Season

The opening game of the season against Lenoir-Rhyne, one of the top small college teams in the nation, was a tough one for the Terriers. Lenoir-Rhyne running from a single wing offense with Larry Farmer, prospective Little All-American, at tailback seemed to be too much for the Terriers in the first game of the 1961 season.

Wofford saved its big offensive fireworks until the fourth quarter when sophomore half-back Paul Davis climaxed a 47-yard scoring drive with a burst off tackle for eight yards and a touchdown with only eight minutes remaining in the game. Ellis' pass to Gary Whitlock failed and the game ended Lenoir-Rhyne 30, Wofford 6.

Terriers Nip Davidson For First Win; Presbyterian Comeback Dumps Wofford

DAVIDSON: Wofford picked up their first win of the season against Davidson by a 6-0 margin. It was a defensive battle the entire game.

Tackle Fleming Harris and Capt. Wallace Henderson were the ringleaders in the Terrier forward wall which held Davidson to only fifty-four yards rushing while the Terriers picked up 280 yards on the ground.

The single score of the Terrier-Wildcat battle came in the third quarter when Wofford drove to the Wildcat 2-yard line only to lose the ball on downs. Davidson then punted, after two attempts for no gain, out to their own 9-yard line. The ball took a "crazy" bounce back to the Wildcat 2-yard line where Pressley Daniels scooped it up and traveled 2 yards for the score. This will probably go down in Wofford history as the shortest punt return for a T.D.

PRESBYTERIAN: In the third game of the season, the Terriers took a beating at the hands of the Blue Hose. Wofford took the opening kick-off and nine plays later Gary Whitlock took a hand-off from Quarterback Tommy Ellis and pranced 22 yards for the Terrier score. Press Daniels kicked the extra point to give the Terriers an early 7 to 0 lead. Everything was

sweet for the Terriers until the second half when the Presbyterian Blue Hose put a sour taste in the mouths of Wofford by scoring three touchdowns to none for the Terriers. Thus, the Terriers suffered their second defeat of the season by a 21-7 score.

"Easier said than done coach."

"Take a try at it, Gary."

NEWBERRY: The stubborn Wofford Terriers mixed deception with muscle to down Newberry in a Little Three Conference battle by a 14-13 score. Tyson Leonard scored both T.D.s for the Terriers. The key play in one of the major drives came when Quarterback Bill Neely passed to end Jim Martin for 72 yards. Sophomore Bobby Hipp plunged over for the extra point giving the Terriers an 8-7 lead. Newberry struck pay-dirt in the second half to take a 13-8 lead. With 2 minutes and 50 seconds remaining in the fourth and final period, the Terriers facing a fourth down situation on the Indian 12-yard line called on Gary Whitlock who passed beautifully to Tyson Leonard in the end zone. The extra point attempt failed, but the Terriers maintained a 14-13 edge the remainder of the "Little Friday" clash.

FURMAN: The Terriers outsmarted Furman's Hurricanes for three and a half periods in Greenville. The highly favored team from Furman found it hard to cope with Wofford's determined Terriers. Furman took an early 7-0 lead but Wofford roared back with 8 points by covering a loose ball in the Furman end zone. Later in the period Wofford scored two more T.D.s for a half-time score of 20-7. Furman came back in the second half with one touchdown in the third period and one in the fourth

period to give a score of 20-19. Scatback Paul Davis took Shelly Sutton's kick-off on the Wofford eleven-yard line. Davis headed for the sidelines, slipped through a host of would-be Furman tacklers at the mid-field stripe and outran all of the startled Furman defenders.

This pushed Wofford's lead to 26-19. Furman then took to the air and pulled to a 27-26 lead over the Terriers. With 40 seconds remaining in the game, the Purples turned a Wofford fumble and an intercepted pass into a pair of touchdowns to give Furman a 41-26 victory.

Terriers Stop East Tennessee State, Perfect Homecoming Day

EAST TENNESSEE: The Terriers picked up their third win of the season by defeating East Tennessee State 23-13. Quarterback Bill Neely scored on a one-yard plunge for the Terriers first score. East Tennessee bounced back with seven points to hold a 7-6 half-time lead. The Terriers caught fire in the fourth and final period when Press Daniels kicked a 25-yard field goal to give the lead back to Wofford. Later in the final period, Neely intercepted an East Tennessee pass which began a touchdown drive with Bobby Hipp going over from 60 yards out. East Tennessee fought back for six points before Wofford ended the scoring for the night with Tyson Leonard sweeping his own left end for a T.D. Daniels kicked the extra point making the score 23-13.

CATAWBA: A perfect Homecoming Day hovered over Snyder Field as the bright sun shown through, a lovely Homecoming Queen, Miss Sandy Pickens, was crowned, and the Terriers topped it all with a thorough victory. In the first period, halfback Gary Whitlock intercepted a Catawba pass on the Wofford 36, and on the following play quarterback Bill Neely called on halfback Paul Davis to carry the ball the remaining 24 yards for a T.D. Press Daniel's kick failed and the Terriers took an

early 6-0 lead. With time running out in the first period, safetyman Bob Roma returned a Catawba quick kick 23 yards to the Catawba 32. Five plays later Tommy Ellis handed off to Roma who powered 14 yards for the final score of the day, making the final score 12-0. Wofford dominated the rest of the game with Harris, Quattlebaum, and Henderson being outstanding on the defense of the Terriers.

"The word for the day is . . .!"

"Careful MAN!"

Last Game Of The Season Belongs To Terriers

The calm before the storm . . .

APPALACHIAN: The Wofford Terriers showed the fans at Snyder Field that they could really play ball by taking the opening kick-off from the Appalachians and after seven plays sweeping over 26 yards for six points. The extra point failed, however. Wofford then kicked-off and Captain Wally Henderson stole the ball from the Appalachian halfback and chugged six yards to the Apps 30. Eight plays later, Bill Neely sliced one yard for a T.D., and Daniels split the center to make the score 13-0 before the opponents even got off a play from scrimmage.

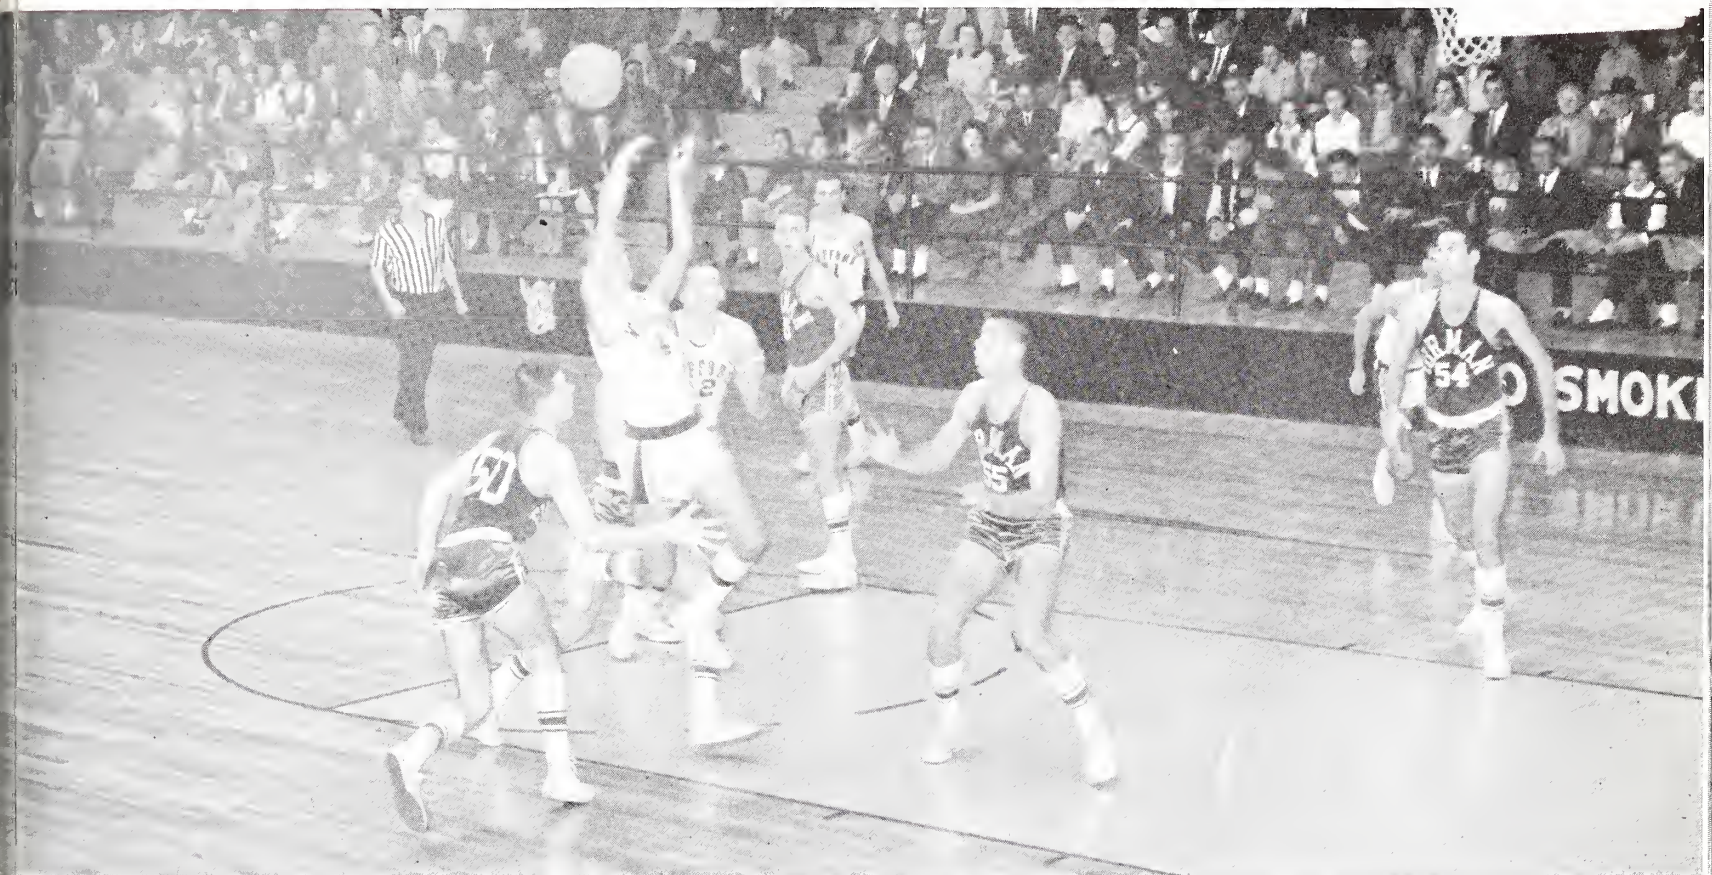

Later in the first period the Appalachians fumbled on their 30, and after three attempts and no gain Press Daniels kicked a 30-yard field goal.

The Terriers roared back later in the second period with Gary Whitlock, Bobby Hipp, and Tommy Ellis grinding out the yardage. Bill Neely passed to Wayne Wood for eight yards and a touchdown. Press Daniels' kick was good and Wofford led at half-time 23-7.

Only one touchdown occurred in the second half and it was scored by the Mounties. Lewis Flint, George Padgett, Jim Martin, and Hoyt Burnett led the Wofford defenders and the terrible Terriers walked off the field with a 23-14 victory and a 5-3 winning season!

Coach GENE ALEXANDER and Co-Captains BOB WALDROP and BOYCE BERRY.

The 1960-61 season was the span that Wofford College basketball fans realized that miracles don't happen on the hardwood every year.

The district champion Terriers kept waiting for the magic which worked so well the year before, but it couldn't be found. Most agree it had graduated in 1960 in the personages of All-Staters Bill Barbee and Trap Hart.

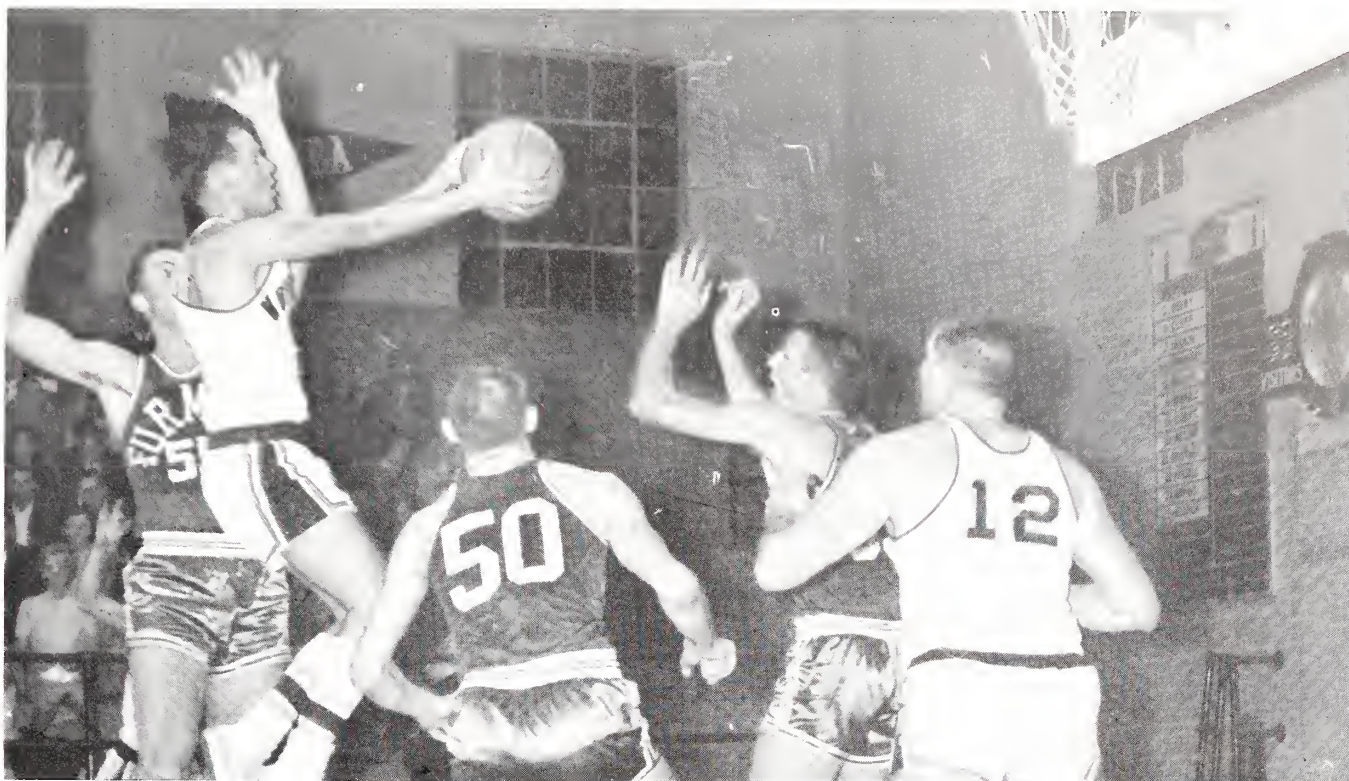

Three starters of the 1959-60 championship five, Boyce Berry, Bob Waldrop, and Charlie Cluff, were back. But the Terriers still failed to produce that scorer which is so necessary to win these days. A big help was freshman Buddy Cubitt who developed into a starter during the Christmas holidays and scored more points than any Terrier first year man in quite some time.

Going into the Little Four Tournament, Wofford has an 8-16 record for the year. However, Coach Gene Alexander loses only one man from the squad due to graduation this year, senior Glen Melton, thus giving a brighter glow to the Terriers' future.

Boyce Berry shows here how he blitzed many unsuspecting "snow-birders" during the season.

Wofford's Glen Melton gives it that "little extra" to outjump an unidentified Paladin in that 80-53 loss to Furman.

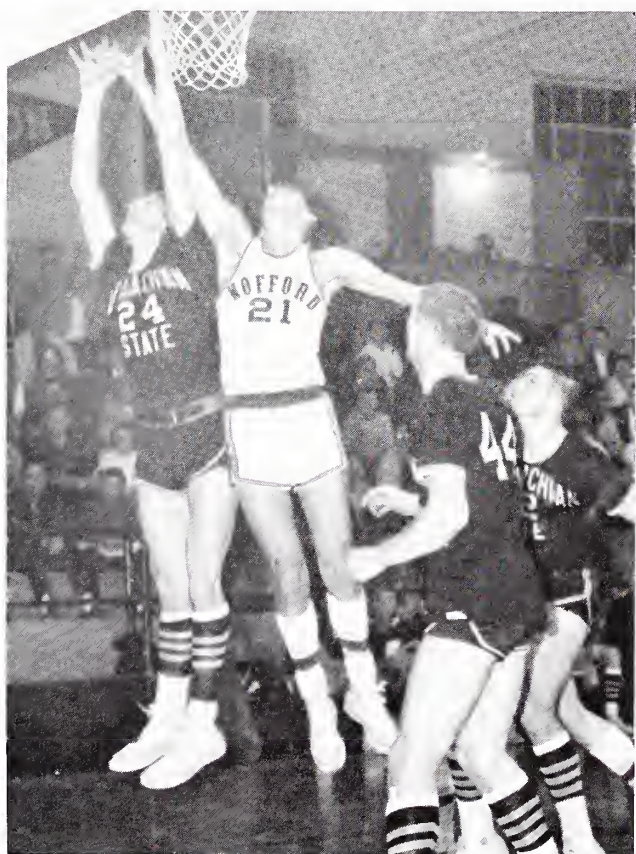

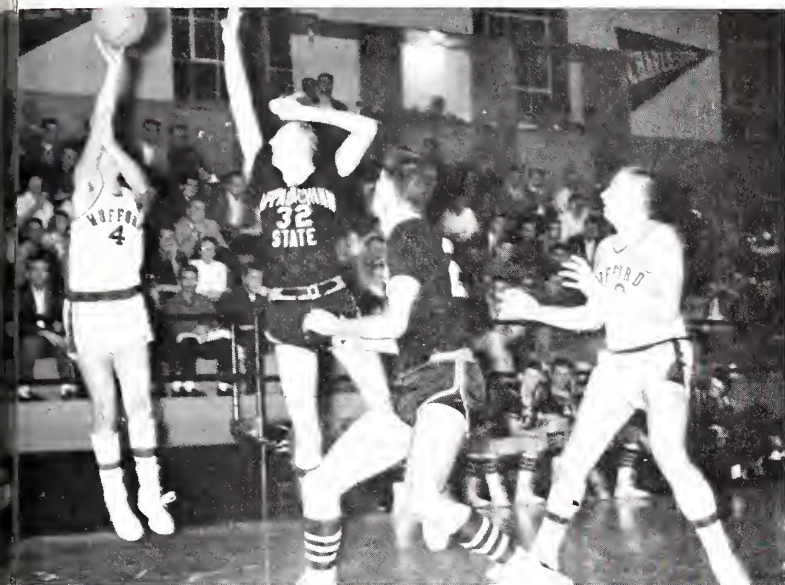

Melton goes high in the air from his favorite spot on the key for a jumper against Appalachian. The empty seats in the background were typical of the majority of Wofford's battles at Andrews Field House this year.

It's halftime at the Furman conflict, and the troops had little to talk about except the gals and weather!

Wofford's Buddy Cubitt goes high in the air to arch a one-hander in the Terrier's loss to Presbyterian.

Cluff goes high for a one-handed push shot against the Mounties!

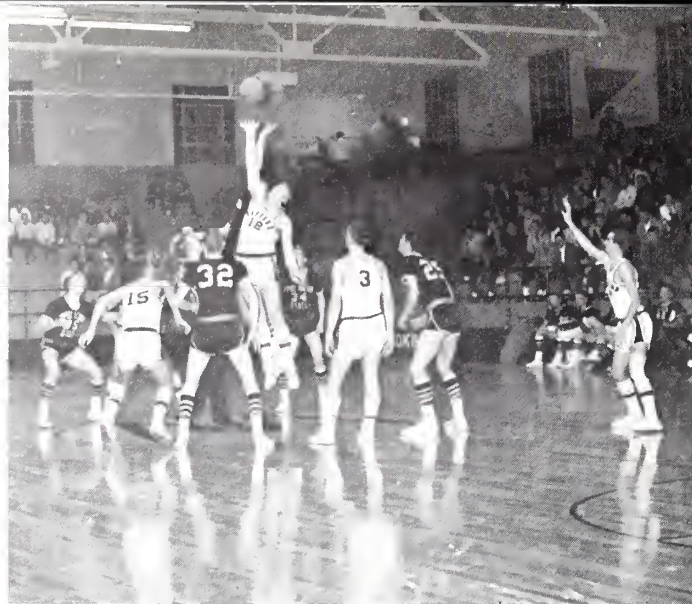

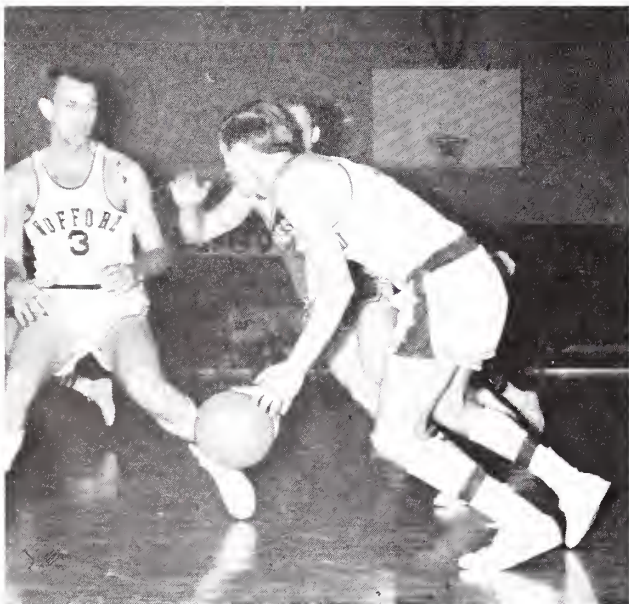

Melton strains for rebound, but he's surrounded by position-wise Appalachian players.

Playing before the home folks, Wofford's Glen Melton shows the form which marked him as the most exciting scorer to grace the Methodist campus in years.

Freshman Tommy Lewandowski feints, then gets set to drive around teammate Boyce Berry who braces to block out the defending Presbyterian player.

The oval's in the air, and it's play ball again at Andrews Field House as Bob Waldrop and opposing center battle for the ball.

Terrier Melton uses a Furman man as a stepping stone as he tips a loose ball toward the basket.

After a 6-5 victory over Belmont Abbey, the Wofford College Terriers are hopeful of a successful season. Following that first game, righthander Lowell Curry was chosen to be the team's Captain by his fellow teammates. In the team's first contest Curry played perfect ball in centerfield and succeeded in banging out one hit at the plate while lefty Billy Witherspoon labored at the win.

Robert Thomas who had three hits for the first encounter will be behind the plate. Probable starters in the outfield will most likely be Bruce Smith in center, Bill Barnhill in right, and Lewis Flint or Tony Parker in left. The infield will have either Ralph Kirchenheiter or Don Sherrill at first, Jim Bradham at second, Bob Roma at short, and Hal Looney at third.

Coach VERNON L. CALDWELL

With four returning lettermen, the Wofford College Tennis Team under the direction of Coach Vernon L. Caldwell faced a rough schedule on the court this spring, playing in eleven matches. Letterman Pete Gerry moved up to the number one slot with freshman Charlie Fowler filling the number two. Veterans Mull, Shumaker, and Guy played in the third, fourth, and fifth positions.

Despite the snow and the rain, the team was in the best shape that it has been in for the past several years.

Some people go in for the more strenuous sports!

Participation and general interest in the Wofford intramural program continued on a high level throughout 1960-61. The program, under the watchful eyes of Professor W. W. Scheerer and student director Charlie Wade, enjoyed another productive year.

Sigma Alpha Epsilon carted away the honors not only in football, but they took the trophy in basketball, also. Pi Kappa Alpha, Delta Sigma Phi, and the Day Students presented strong threats on the gridiron, while Kappa Sigma joined the latter two in trying for second spot in the cage wars. The hardwood league had more balance than in recent years and many observers thought some of the talent might have helped the varsity.

The Spring sports were played up until the end of the regular session and they, especially baseball, found much support from the general student body at large.

"The Alpha Chapter of the Black Crow Club—the sole objective is the promotion of sociability and the betterment of inter-collegiate relations!"

Epilogue

During the last fifteen months the 1961 BOHEMIAN staff has been ardently working to preserve the most outstanding and prolific memories of this phase of the life of the college. It was with this idea in mind that we compiled this edition, with the hope that this book, in picture and word, will enable you to recall the story. You have found within these pages a photographic glimpse of the people who worked, studied, lived, loved, and prayed together on the campus during the past year.

And during that year there were drastic and progressive changes on the campus and in the world with which we are a part . . .

A completely new and modern science building gave promise of a sounder scholastic program . . . recognition in the world of science when the South Carolina Academy of Science decided to hold its annual meeting in our Milliken Science Hall . . . reconstruction of "Old Main" to house the liberal arts departments . . . to enter the second century of the college's history in grand style . . . extensive beautification of the cam-

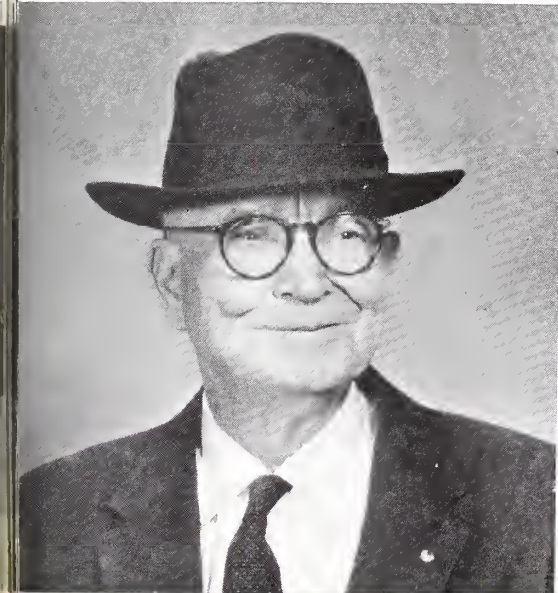

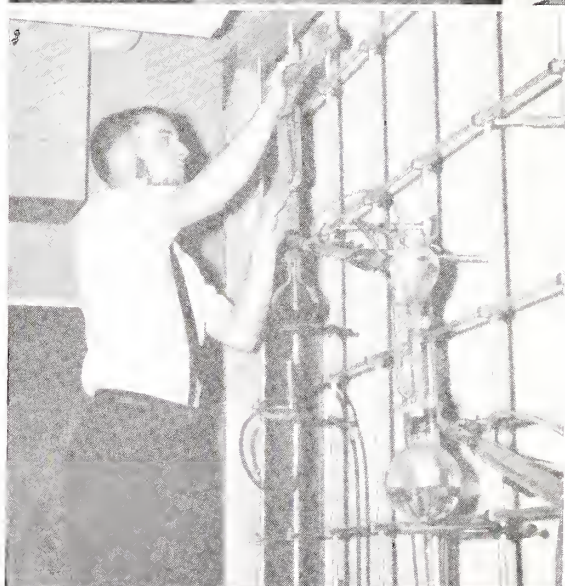

pus . . . and a complete "rehaul" of the constitution . . . which raised many a controversy . . . the establishment of a new service organization—the Circle "K" Club . . . the death of Dr. Walter K. Greene, former president of Wofford, brought sorrow to many friends . . . many interesting and influential speakers on the campus—Italy, Germany, and Ireland were represented . . .

And likewise 1960-1961 presented quite a controversial and dynamic year in world issues: Jack Kennedy's nomination and election to the presidency of the United States was one of the most interesting events . . . especially with the entrance of a rather formidable force of Republican sympathizers within the state's voting public . . . there was constant change and chaos throughout the world . . . retreat and strife in the Congo . . . and in our own Southland . . . we saw quite a decline in the American gold reserve . . . and invasion of numerous markets by foreign imports . . . Cuba was delivered into the hands of the Red Camp without a struggle . . . brush-fire warfare flaring in Laos . . . toward the end of the year the American youth were given the opportunity to show patriotism and humanitarianism in the new Peace Corps.

"And so once again, as for the past 106 years, out into the world went the proud, Wofford men—Ben Wofford's men."

CONRAD W. SANDERS, JR.,
Editor-in-Chief.

HENDERSON COUNTY, N. C.

AMERICA has provided opportunities for more people to reach a higher standard of living than has ever existed before.

Such opportunities are an outcome of the freedom of people to work for better things . . . and the freedom of competitive enterprise to supply them.

When these freedoms are yielded, or no longer protected, there are fewer things worth having, and fewer chances of getting them.
